## ABOUT THE BRANCH

**THE BRANCH** (formerly known as Millennials) is a Connect group for young adult professionals aged 23 and up, both single and married. Our vision is to develop a ministry that includes, but also extends beyond, a Sunday morning Connect class. Inspired by John 15:5, The "Branch Managers" are so excited for what God has in store for this ministry. Please be praying for us as we put our vision to action.

**MISSION STATEMENT:** Our mission is to be a community that provides a place of belonging where people are encouraged and equipped to abide in Christ and live out His love.

## SUNDAY MORNING CONNECT
