

## **Parent Cue**

Parent Cue is linked to Hershey Free and will give you access to our weekly video lessons and the monthly newsletter.

Once you are synced with Hershey Free, you'll find faith-based content. Every week, most families experience some variation of morning times, drive times, meal times, and bedtimes together, so the Parent Cue app gives you four cues each week to help you connect with the heart of your child. Each cue is strategically designed for the age of the child you are raising and helps you develop family patterns that will enhance your long-term relationship with your child over time.
